

Provider/Chair	Seminar Title in Stud.IP	Degree	Degree Program	Supervisor	Seminar-Website/ Topics	Kick-Off-Date
Bioinformatics - Helmholtz Centre for Infection Research	Seminar Informatik SS 2024 Deep Learning for Molecular Biology	BA & MA	Informatik Data Science	Prof. Alice McHardy, Dr. Hadi Foroughmand	Seminar Deep Learning for Molecular Biology	04.04.2024, 10:00 h, BRICS, Room 207 (see institute website for details and possible changes)
CV - Institute for Computer Graphics, Chair Computer Vision	Seminar Informatik SS 2024 Computer Vision	BA & MA	Informatik IST Wirtschaftsinformatik Data Science	Prof. Martin Eisemann	Seminar Computer Vision	09.04.2024 (see institute website for details and possible changes)
CV - Institute for Computer Graphics, Chair Computer Vision	Seminar Informatik SS 2024 Gender-Gender Aspects in the History of Computer Science	BA & MA	Informatik IST Wirtschaftsinformatik Data Science	Prof. Martin Eisemann, Veronika Oechtering	Seminar Gender-Aspekte in der Geschichte der Informatik	10.04.2024 (see institute website for details and possible changes)
ICG - Institute for Computer Graphics	Seminar Informatik SS 2024 Computer Graphics	BA & MA	Informatik IST Wirtschaftsinformatik Data Science	Prof. Marcus Magnor, Sascha Fricke	Seminar Computergraphik	03.04.2024 (see institute website for details and possible changes)
IRP -The Institute of Robotics and Process Control	Seminar Informatik SS 2024 Robotics	BA & MA	Informatik IST Wirtschaftsinformatik Data Science	Prof. Jochen Steil, Sven Tittel	Fortschritte in der Robotik	03.04.2024 (see institute website for details and possible changes)
TCS - Institute of Theoretical Computer Science	Seminar Informatik SS 2024 Theoretical Computer Science	BA & MA	Informatik Data Science	Prof. Roland Meyer	Seminar Theoretische Informatik	to be announced (see institute website for details and possible changes)
DS - Peter L. Reichertz-Institute for Medical Computer Science, Chair Data Science in Biomedicine	Seminar Informatik SS 2024 Data Science in Biomedicine (MASTER)	MA	Informatik Data Science	Prof. Tim Kacprowski	Seminar Data Science in Biomedicine (Master)	11.04.2024, 11.30-13.00 h - Room 046, Seminar Room 2, BRICS (Ground Floor) (see institute website for details and possible changes)
IBR/ALG - Institute of Operating Systems and Computer Networks, Algorithms Division	Seminar Informatik SS 2024 Algorithmics (MASTER)	MA	Informatik IST Wirtschaftsinformatik Data Science	Prof. Sándor Fekete, Michael Perk	Seminar Algorithmik (Master)	*will be communicated to the seminar participants by e-mail (see institute website for details and possible changes)
IfIS -Institute for Information Systems	Seminar Informatik SS 2024 Knowledge Representation (Master)	MA	Informatik IST Wirtschaftsinformatik Data Science	Prof. Wolf-Tilo Balke, Enrique Pinto Dominguez	Seminar Datenbanken und Informationssysteme	to be announced (see institute website for details and possible changes)
PLRI - Peter L. Reichertz-Institute for Medical Computer Science	Seminar Informatik SS 2024 Medical Informatics (Master)	MA	Informatik IST Wirtschaftsinformatik Data Science	Prof. Thomas Deserno, Masresha Derese Tegegne	Seminar Medizinische Informatik für MSc-Studierende	to be announced (see institute website for details and possible changes)
