Oral Exams: Guidelines (“A” Modules, B.A.)

For the oral exam in the SURVEY CLASSES (A₁/A₅, 30 mins.) you compile **ONE list of 8 to 10 primary texts for EACH of your TWO survey classes**. When you compile your list, you can either try to cover the entirety of texts discussed in class or create thematically coherent clusters. Make sure that you cover considerable breadth, covering the genres and periods discussed in class (not just one author, one genre, one period).

MEd Students (PO 2013) taking the E₃ exam (45 mins.) compile a reading list for each of their two E classes.

Check the deadlines for registration on our website and submit your reading list as specified on the form:
